Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

ODD LITTLE MIRACLES

Splashdown Books, New Zealand, 2011. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In The Muse, Fred Warren took us to a world where imagination reigned supreme, and inspiration was a matter of life and death. Now, follow him through the twists and turns of twenty-two bizarre tales, where odd is commonplace, little things make all the difference, and miracles are everywhere, if you know where to look: An office temp thinks he has the world's worst job, until he spends a day sitting in for the Devil. Stolen fruit provides sweet justice in a city ruled by magic. In a world where two minds can share the same body, running afoul of the law has horrifying consequences. A young woman discovers something growing in the fields outside her village--something wonderful and terrible. Do the impossible. Change the future. Save the world. All you need is one odd little miracle.
