## Bum Bags and Fanny Packs: A British-American American-British Dictionary

By Jeremy Smith

Carroll & Graf Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Bum Bags and Fanny Packs: A British-American American-British Dictionary, Jeremy Smith, This book is the first place to turn when you encounter a Britishism or Americanism. The dictionary illuminates differences in vocabulary, usage, pronunciation, spelling, and the history of English, how and why differences arose, and what those differences are. More than 2,500 entries are listed on each side with a set of tables that includes national holidays, presidents, kings and queens, and money. The dictionary is an easy-to-read, light-hearted, and sometimes irreverent catalogue of the difference between American and British English. With a tone that is deliberately informal, much of the intrinsic humor shines through, but never at the cost of accuracy or detail.
