

The One-Week Job Project: One Man, One Year, 52 Jobs

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Villard, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "It started as a simple idea: work a different job every week for a year. But as Sean put his plan into action, it quickly became a life-changing, cross-continental, action-packed adventure. After reading The One-Week Job Project , you'll know how to bring the most extraordinary things out of life, and how to score some choice jobs along the way!" -Kyle MacDonald, author of One Red Paperclip "With 52 jobs, 52 experiences and 52 lessons learned, Sean Aiken has done all the dirty work for young individuals who are looking to embark on their own career journey. The One-Week Job Project is eye-opening, entertaining and will help answer the question on any young individual's mind: what do I do when I graduate? Sean has done it all in less time than it takes to graduate from college and has pulled all of his knowledge into one book that can and will change your life for the better." -Dan Schawbel, author of Me 2.0: Build a Powerful Brand to Achieve Career Success " The One-Week Job Project is a terrific read for young people wondering what to do with their lives, and for anyone looking to change his or her life for the better. Sean Aiken's audacious, inspiring book packs a good dose of humor and reminds us that the only thing standing between you and your dreams is yourself!" -Keith Ferrazzi, author of Never Eat Alone and Who's Got Your Back "At a time when the traditional path to success is fading from view, Sean Aiken has emerged as a role model for making the best of the inherently unstable life of today's workforce. Most people will likely work a number of different jobs in a...
