Zellie Wells has a devastating crush on Avery Adams, the son of her moms high school sweetheart. At her sixteenth birthday party, held in the basement of her dads church, she finally finds the courage to talk to him. Turns out, the devastating crush is mutual. As Avery takes her hand and leads her out onto the makeshift dance floor, Zellie is overwhelmed by her first vision of his death; shocking because not only are they both covered in his blood, but theyre old, like 35, and she is pregnant. Afraid to tell anyone about the vision, (shed just be labeled a freaky black magic witch, right) Zellie keeps the knowledge of Averys future to herself and tries to act like any other teenager in love. When they get caught on their way to a secret rendezvous by her mom and his dad, they are forbidden to see each other. Convinced that their parents are freaking out unnecessarily, Avery and Zellie vow to be together no matter what. They continue their relationship in secret until Zellie learns that their parents are just trying to prevent her and Avery from suffering like they did. The visions are hereditary, theyre dangerous, and if they stay together the visions will come true. Now Zellie must choose between severing all ties with Avery, like her mom did to prevent his fathers death, and finding a way to change Averys future This item ships from La Vergne, TN. Paperback.
