LiFi Publicationss Pvt. Ltd., 2015. Paperback. Book Condition: New. 20 cm. How far one should go to help his sibling. Can we draw a line in blood relationships? What happens when we stop counting our blessings and long for fictitious pleasures, when lust takes over gentle senile notions of love and when you lie to yourself and then justify it? Is there any date sheet for emotions? This novel tries answering these questions through a beautiful story. Besides it also touches the emotions that cross our heart when we embark on the journey of betrayal. It is also an attempt to locate that man in the mirror that we generally choose to ignore."
