Brand New Book ***** Print on Demand *****.Slavery existed long before the United States of America was founded, but so did opposition to slavery. Both flourished after the founding of the country, and the anti-slavery movement was known as abolition. For many abolitionists, slavery was the preeminent moral issue of the day, and their opposition to slavery was rooted in deeply held religious beliefs. Quakers formed a significant part of the abolitionist movement in colonial times, as did certain Founding Fathers like Benjamin Franklin. Many other prominent opponents of slavery based their opposition in Enlightenment ideals and natural law. American abolitionists during the Constitutional Convention worked against the three-fifths compromise, and also attempted to get the Constitution to ban the Atlantic slave trade. Although the three-fifths compromise became a part of the Constitution, abolitionists managed to persuade the convention to allow Congress to ban the Atlantic slave trade after 1808. Other abolitionists tried to help slaves directly, by helping them escape to the North. After the Fugitive Slave Act mandated the return of escaped slaves, abolitionists helped escaped slaves travel to Canada. In addition, many northern politicians opposed restricting slavery as either practically impossible or dangerous. In the years after the Atlantic slave trade was banned in 1808, abolitionists focused their political efforts on preventing the spread of slavery to the new territory of the Louisiana Purchase. Pro-slavery politicians likewise attempted to spread slavery to new states. Every time a new state formed from Louisiana territory was to enter the Union, intense political wrangling took place over whether the new state would be slave or free. The political wrangling often broke into violence. By the middle of the 19th century, slavery had created a fevered...
