Flatiron Books, United States, 2016. Hardback. Book Condition: New. 236 x 154 mm. Language: English . Brand New Book. It looked like an unwinnable David and Goliath struggle: one guy against the mammoth American beer industry. When others balked at Jim Koch's plan to leave his consulting job and start a brewery challenging American palates, he picked out a family recipe and plowed ahead, launching the company that helped to redefine American beer, Samuel Adams. Quench Your Own Thirst offers unprecedented insight into Koch's whirlwind ride to the top of craft brewing. His innovative company model and savvy business choices offer counter-intuitive lessons that readers can put to work right away. Koch's anecdotes, quirky musings, and bits of wisdom go far beyond brewing. This book is a fun, engaging guide for building a career or launching a successful business based on your passions. Quench Your Own Thirst is the key to the ultimate dream: being successful while doing what you love.
