

New Decoupage: Transforming Your Home with Paper, Glue, and Scissors

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

NEW DECOUPAGE: TRANSFORMING YOUR HOME WITH PAPER, GLUE, AND SCISSORS

Potter Craft, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Today's decoupage is not your grandmother's decoupage: delicate Victorian or floral images on dainty plates buried under innumerable coats of heavy varnish. Contemporary decoupage works are made with flea market finds, cherished letters or photos, magazine clippings, handmade papers, unique prints, or any other image that strikes the artist's fancy, then it's applied to trays, tables, lamps, walls, floors, furniture, or even ceilings. In *New Decoupage*, author Durwin Rice takes a fresh look at this traditional craft, demonstrating how to creatively transform your environment using just a few simple materials. He offers complete instructions for more than 18 unique projects, ranging from a delicate vase resembling fine porcelain to a dining room table adorned with generations of family photos, from an entire row of kitchen cabinets featuring pictures of your favorite chefs to a stylish faux marble coffee table. Beginning with a brief history of the art, Rice moves on to detail the fundamental techniques of modern decoupage, showing you how to clean and prepare various surfaces, select and cut images, and choose the right adhesive for a specific project. Two simple gluing lessons demonstrate the basic skills needed to complete any decoupage project. The next section offers instructions for smaller decoupage projects, such as an elegant cachepot filled with exquisite decoupaged eggs, a serving tray adorned with favorite images, or a six-sided wooden block puzzle decorated on all sides. Finally, Rice provides ideas and inspiration for larger decoupage projects, remaking plain furniture, mundane appliances, and even whole rooms into beautiful works of art. Lavishly illustrated with nearly 200 full-color photographs, *New Decoupage* brings the art of decoupage into the present day.
