Reviews

Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.

(Melany Goyette)

THE WRONG GIRL

AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Two rich and bored junior high school kids, John and Glenn, living in a little town in Texas, decided that they had to do something spectacular, an event that they would remember for the rest of their life, and yes, it eventually turned out that way. What they had in mind was against the law. It was depraved and immoral enough that it could ruin somebody's life forever. The victim that they had selected was, unfortunately for them, not somebody you could mess with without some serious repercussions and revenge. Her life so far was not a bed of roses, and she had to struggle to stay above water. She was alone and on the streets of New Orleans when she was sixteen years old. Her parents were killed when the hurricane Katrina hit the town. The boy's parents were the richest and most powerful citizens in their little town. Minor infractions of the law were never enforced, and this made them forget that some events were still against the law and that it was indecent behavior and would have them punished if caught. This story will make you want to read all the incredible, strange, scary, and wonderful events that the boys and girls have to go through. The story is at the same level of vicious, tender, and dramatic. It will make you angry and upset and, maybe, make you even cry and feel good. It's a novel where the author can't tell you too much in this synopsis without ruining the story. I hope you will have the time and desire to read this book. People who did read the book...
