## I AM SMALL!: A BABY'S GUIDE TO WHAT BABIES NEED TO KNOW

Salariya Book Company Ltd. Board book. Book Condition: new. BRAND NEW, I am Small!: A Baby's Guide to What Babies Need to Know, David Salariya, A look at the world from a baby's point of view, this book addresses all the questions that babies would love to ask, if they knew how. "I am Small!" features black & white and colour photographs of babies for your baby to identify with - babies love looking at pictures of babies. Its clear, repetitive text can be used as a game between parent and baby - babies will soon learn to respond. It can be used to introduce a new baby to slightly older siblings. The book is made to last, on strong board with baby-safe rounded corners. Babies love books. Right from the start, they love to listen to voices and look at pictures. Babies are born with the need to communicate. Reading to babies helps them learn to listen and to recognise and imitate the sounds they hear. They will benefit from books long before they are ready to learn to read. A toddler's brain contains twice as many connections as an adult's, so we have more capacity to learn in infancy than at any other time. Children love familiar things, and they will enjoy sharing books like this one time and time again.
