Trafford Publishing, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Kyle Taylor is an enthusiastic young writer, whose books carry a message to inspire others to make small changes, starting with children, to better the world around them. Sharing is a valuable lesson that is often difficult for young children to understand, and this book brings to life the feelings and the true meaning of sharing. This is his first published book, and he plans on continuing to write children s books with special messages and motivational books for adults. I decided to write this book because parents try to teach their kids to share all the time. It is very important to start kids off early in life with the understanding that sharing is the way to go. We all get along when we can share. The books that I write are to inspire positive action. A portion of the proceeds of this book will be donated to the National Autism Association. The reason I choose to contribute to the autism foundation for my first book is because I have a little brother with autism. Each book that I publish will be dedicated to a different charitable organization so I can reach out to as many people as possible.
