Writing A Dissertation: The Essential Guide

By Suzi Richer

Need2Know. Paperback. Book Condition: new. BRAND NEW, Writing A Dissertation: The Essential Guide, Suzi Richer, A dissertation is a long piece of original research that is undertaken as part of a undergraduate degree. It is usually started at the end of the second year and is submitted for marking at some point in the third year. Almost every undergraduate student will research and write a dissertation. A dissertation is the chance to put the learning from the previous years into practice and to research a topic that you enjoy learning about. It the centre piece of your degree. A significant part of the university education is writing a dissertation. This book is written for anyone tackling a dissertation for the first time, in particular undergraduate students. It examines some of the main areas a dissertation needs to cover, but also some of the key issues you will face along the way, whether you are just about to start, or whether you have one month left and little to show for it. Filled with hints and tips to help get you through the dissertation as painlessly as possible and therefore helping you to achieve the best mark, this book will cover...

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
