

## Henderson s Handbook of Plants (Classic Reprint)

By Peter Henderson

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Henderson s Handbook of Plants Although I have every reason to be satisfied with the flattering reception given to the first edition of the Handbook of Plants, issued in 1881, yet I have ever believed that its scope was too limited; that the requirements of the thousands of amateurs, young florists and gardeners, needed something having a wider range. To meet that want there is not only added in the present edition all the new genera of any importance up to date, but there is specified in many instances the more important and useful species and varieties of the genera described, together with brief instructions for propagation and culture. The botanical and technical terms, and a very full list of the best-known English or popular names, are also given, and great care has been exercised to have all the generic names accentuated according to the latest authorities. Nearly one thousand engravings of the various plants described in the body of this work are shown. The natural system of arrangement being now generally used, is adopted...
