It is important for both parties to understand each other's anatomy so that they can put various tactics in place to enjoy the love making encounter. To some couples, sex is a painful experience while many others report that they never derive any happiness participating in. But this ought not to be the case; sex was meant to be enjoyed since it is the highest level of intimacy two people can get into. In order for sex to be a pleasurable experience, the parties must go an extra mile to research ways of achieving that. One of the prime ways is through understanding your spouse's anatomy. This is important because it gives knowledge of the erotic zones as well as the ways to have sex for it to be a great experience. This eBook tackles one highly elusive area of the female anatomy; the G- Spot and how it can be involved for a greater sexual experience. As you read through this material, you will realize how this spot can ignite the love in your relationship. The content is broken into 4 chapters. Part one covers the anatomy of the women. Special focus is on the reproductive system. The second chapter delves into the subject of the G- Spot. Many questions about the G-Spot are answered. Moving forward to the third chapter, ways to stimulate the G- Spot with the finger are described. The last part gives the best sex positions for G-Spot.
