Excerpt: . . . reader through the labyrinth of conflicting decisions. It is this virile strength in Mr. Jones writings that has made them a power in the legal world. This edition has the great merit of giving references to the National Reporter System in all instances where the cases are there reported, whether they have also appeared in the Official reports or not. We regret to add that sometimes the abbreviations used are misleading. Thus on page 761 we find a reference to Baumann v. Cornez, S N. Y. St. 450, a citation hardly calculated to lead the reader to look into the New York Supplement to find the case. Speaking of cases, it is unfortunate that in this edition the practice is continued of putting the table of cases at the end of the book instead of at the beginning, where lawyers are used to look for it. In the first edition of his treatise on Liens, Mr. Jones i are 013 Valueput the table of cases at the end of the work, 5 This is a book that possesses some merits. It is written in a plain and clear style. I have not read every section and word of the book; it would be hypocrisy to pretend that this was done; but most all of it was studied. and, as a whole, it niade 8. favorable impression upon my mind. Those portions of the book which treat of the building contract; of the part which...
