

Integrative Dual Diagnosis Treatment Approach to an Individual with Alcoholism and Coexisting Endogenous Depression

By Dr Michael Mullan

iUniverse, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.When a forty-three-year-old medical doctor sought treatment for chronic alcoholism, author Dr. Michael Mullan determined that George J. also suffered from depression and would require an integrative treatment approach to ensure a successful outcome. In Integrative Dual Diagnosis Treatment Approach to an Individual with Alcoholism and Coexisting Endogenous Depression, Mullan: - Describes the details of the case - Reviews the literature related to the clinical problems of dealing with alcoholism and alcoholism with co-existing mental illness - Includes an overview of the dually diagnosed population - Presents the model of treatment for the dually disordered-- Dual Diagnosis Model - Reviews the patient's treatment regimen - Provides a summary of the treatment and experience - Reports on the patient's results In this study, Mullan describes his Dual Diagnosis Model approach for the treatment of addiction with co-existing mental disorders. He contends that in order to be successful treating an individual's addiction that the underlying psychological disorders must also be addressed to ensure a positive outcome.
