Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.While there is debate about the number of indigenous people in Costa Rica prior to the arrival of Christopher Columbus in 1502, few survived contact with Europeans. Today, the country's indigenous population makes up less than 2 percent of the total population. For nearly three centuries, Spain administered what is now Costa Rica as part of the Captaincy General of Guatemala, under a military government. The Spanish optimistically called the country Rich Coast. Finding little gold or other valuable minerals in Costa Rica, however, the Spanish turned to agriculture. The small landowners relative poverty, the lack of a large indigenous labor force, the population's ethnic and linguistic homogeneity, and Costa Rica's isolation from the Spanish colonial centers in Mexico and the Andes contributed to the development of a relatively autonomous, individualistic, and egalitarian agrarian society. This tradition survived the widened class distinctions brought on by the introduction of banana and coffee cultivation in the 19th century and the subsequent accumulation of local wealth. Costa Rica joined other Central American provinces in 1821 in a joint declaration of independence from Spain. In 1838, long after the Central American Federation ceased to function in practice, Costa Rica formally withdrew and proclaimed itself a sovereign nation. An era of peaceful democracy in Costa Rica began in 1899, and has continued through today with only two lapses: 1917-19, when Federico Tinoco ruled as a dictator, and 1948, when Jose Figueres led an armed uprising in the wake of a disputed presidential election. The victorious junta from this 44-day civil war drafted a constitution guaranteeing free elections with universal suffrage and the abolition of the military. Figueres became a national...
