The Secrets of Medicinal Marijuana: A Guide for Patients and Those Who Care for Them

By Barbara Harris

Natural Paradigms, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has three related tracks: 1) For the patient who is interested in using medicinal marijuana to increase their appetite, decrease worry and stress, decrease withdrawal from opiates and other drugs, sleep better and more. 2) For the prescribing clinician and patient there is a thorough review of the clinical and prescribing information throughout this book's body and rich Appendix. and 3) For the patient who not only may want any of these but who also wants to go deeper and see if there are any unrecognized issues that may be generating a physical problem or difficulties in their relationships with self, others and the God of their understanding. Please see Look Inside (front matter) on for more. Endorsements Barbara Harris provides an excellent resource that cuts through old myths and misinformation to give the reader her well-informed considerations for exploring the new world of medicinal marijuana use. With the increasing number of states and countries legalizing marijuana for medicinal use comes the urgent need for reliable information and guidance on the positive uses of...
