### **Reviews**

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## VANESSA AND SEIGFREID THE MAGIC SEAHORSE

Trafford Publishing. Paperback. Book Condition: New. Paperback. 140 pages. Dimensions: 8.8in. x 5.8in. x 0.6in. Vanessa and Seigfreid the Magic Seahorse is a childrens fictional story about a giant sea horse that becomes tangled in a fishing net and then subsequently saved by the heroine of the story Vanessa. The story is set between Sydney Harbour and beautiful Lord Howe Island and the mysterious Balls Pyramid that lies close by. The giant sea horses have many magic resources and can communicate with humans via their unicorn shaped horn on the top of their heads as well as showing humans how to breath under water. The giant sea horses originally lived at Pearl Island, near Toba in Japan, and taught the Toba Women how to breath underwater to find the treasured Black Pearls of the Pacific Ocean. The Toba women still dive today and stay under water for remarkable lengths of time without any outside assistance. After saving Seigfreid, Vanessas underwater adventures begins almost disastrously in Sydney Harbour where she and her sisters are attacked by a large Bull shark and the fortunately saved by Seigfreids magic powers. A strong bond is formed between Vanessa and Seigfreid and even after Seigfreid returns to his home hundreds of kilometers away, to Castle Rock they are able to communicate through Seigfreids magic horn. Vanessa however is sworn to secrecy, apart from her sisters and brother, about the location of Castle Rock and their magic powers. The sea horses are afraid other humans will try to catch them for their magical powers as happened a long time ago. Vanessa, her sisters and brother eventually travel to where Seigfreid lives at Castle Rock (Balls Pyramid) where another exciting underwater adventure begins. They meet a herd of thousands of giant seahorses who live on the sea grass...
