Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Montcalm: At the Battle of Carillon (Ticonderoga) (July 8th, 1758) France and Canada, now preparing to offer a supreme appreciation of the Marquis de Montcalm, cannot too highly honor the memory of the heroic General and that of his valiant soldiers, who, following his example, generously shed their blood for the welfare of New France. The more closely the historian studies the great and noble personality of Montcalm, the deeper he will penetrate into the feelings and the intimate life of his comrades in arms and the more their brilliant qualifications will excite his admiration. Under Montcalm, officers and men of the battalions of the Queen, of Guyenne, of Beam, of Languedoc, of La Sarre, of Royal-Roussillon and of Berry struggled unflinchingly against a relentless destiny. Observing them in action at the battle of Carillon, seeing them by their courage alone delaying for a time the course of that fatal destiny, no Frenchman nor Canadian will fail to endorse the opinion of M. de Cremilles, the Lieutenant General charged with the embarkation of our troops for Canada in 1775: No sovereign in the Universe could have braver or more loyal infantry. Before beginning the account of the victory of Montcalm at Carillon (Ticonderoga), one should know the condition of affairs in Canada early in 1758 and of the troops entrusted with its defence. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
