Richelle Moore, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you unemployed or underemployed? Have you been downsized, or has your job been outsourced? Have you been laid off or fired? Are you currently receiving unemployment benefits? Are your unemployment or worker s compensation benefits about to end and you have no idea what you re going to do to keep your family from going under? This book is definitely for you! If you re waiting for jobs to come back, they re not. It would take an act of congress to lower the unemployment rate and don t expect them to act any time soon because unemployment doesn t affect them. Face it, your dream job doesn t exist. It s up to you to create it and this book will show you how. This book was designed to be read in one sitting and is packed with information you can use immediately to start putting money in your bank account. Are you and entrepreneur with a great idea? Are you wondering how to get your business off the ground and put food on the table at the same time? This book is also for you! The Most exciting thing you get from this book is how to get money to fund your business. Not a loan or grant but how to get money that doesn t need to be paid back without giving up any equity or any portion of your business ownership. Home Made Money shows you how to get money from investors for your business or enterprise in a fun way without writing a business plan and without having any existing business revenue. Even if you re just looking for a work...
