By David R Bell

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Conventional wisdom holds that the Internet makes the world flat and reduces friction by erasing the impact of the physical world on our buying habits. In Location Is (Still) Everything, Bell offers a fascinating, in-depth look at online commerce and retailing through his years of research, investing, and advising experience. His unique GRAVITY framework is a powerful and practical tool that uses fundamental human behaviors and location-based conditions to explain how the real and virtual worlds intersect..
