Resource Publications (CA), United States, 2015. Paperback. Book Condition: New. 226 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.This reading guide to some of the philosophical and theological literature on universalism offers practical help in providing informed material on a topic that is often treated in a superficial and unenlightened manner. The reader may be surprised to learn that universalism was the predominant belief in the early centuries, and that it has always been present in the Christian tradition. Spurred on by Von Balthasar's book, *Dare We Hope That All Men Be Saved?* Robert Wild's guide provides current studies that support Von Balthasar's arguments that universalism is a legitimate hope for the Christian. As in balanced spiritual life, everything depends on the knowledge and experience of God's unconditional love and man's proper response to it by devotion. The understanding and acceptance of universal salvation . . . is also made possible by realizing the corresponding dynamics of these same elements. Wild's masterly selection of theological and philosophical literature comprising the two Christian millennia can lead even the most careful theologian to a proper insight regarding this central question of human existence. -- Esteban Deak, author *Apokatastasis. The Doctrine of Universal Salvation in Twentieth Century Theology* The question of universal salvation is a theological minefield . . . Various theologians have been condemned for taking too large or narrow a view, either providing cheap grace or unduly restricting God's universal offer of salvation. With pastoral wisdom and theological subtlety, Wild offers a wide-ranging and comprehensive panoply of pro and con views and carefully helps readers negotiate this treacherous terrain. His book . . . will be useful to both reasoned scholars and theological novices. --Peter C. Phan, Ignacio Ellacuria...
