Reviews

It is one of my favorite publications. Indeed, it can be playful, nonetheless an interesting and amazing literature. I discovered this publication from my father and he suggested this publication to understand.
(Camryn Williamson)

MYSTICAL 2012: THE TRIPLE REBIRTH OF THE SUN AND THE TRIPLE REBIRTH OF YOU

Thomas Razzeto, United States, 2012. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The astronomy that will unfold in the sky over the Maya (and over us) on the winter solstice of 2012 is the key to understanding why the Maya restart their calendar on that exact day. Almost all calendars are based on astronomy and it appears that this is also true for the Maya calendar, although in a rather spectacular way! Quickly learn why this astronomy was seen by the Maya as the sacred triple rebirth of the sun. But what does the Maya s rebirth metaphor really mean? Does this metaphor point to a very deep spiritual rebirth that arose from the psychedelic rituals of the ancient Maya? On the Maya sacred ceremonial grounds of Izapa, Mexico - the birthplace of the Maya calendar - we find altars carved in the shape of the Bufo toad. The poison glands of these toads excrete a psychedelic chemical that was used by the Maya shamans and there is a stone carving of a shaman together with this toad. Did the psychedelic rituals of the Maya shamans reveal to them a mystical view of reality? Did they awaken to their true fundamental identity and is this the profound spiritual rebirth that they hold forth as so important? And is this available to you now without drugs? Yes! Learn more about mysticism in general and the Maya s mystical message of rebirth in this easy to read book. For me personally, the more I dug into the subject of 2012, the more mind-blowing it all became! Perhaps you will have a similar experience! Mystical 2012 is unlike any other 2012 book. Obvious, it does not promote doom and gloom but it...
