Free Spirit Publishing Inc., U.S., United States, 2014. Board book. Book Condition: New. Marieka Heinien (illustrator). 175 x 175 mm. Language: English . Brand New Book. We've all seen it: the nose-picking habit starts as early as the toddler years, and no child is the exception. Young children pick their noses for a variety of reasons, from colds to allergies to curiosity or boredom. This board book for toddlers and preschoolers is the answer to the age-old question "How can I get my child not to pick, especially not in public?" With gentle humor and kid-friendly support, this board book for toddlers and preschoolers helps guide little ones away from nose picking toward healthier habits, like using a tissue and washing their hands. Catchy words help children remember what to do; vibrant full-color illustrations bring the words to life. Throughout, the positive message shines through: noses are for breathing, sniffing, smelling . . . but not for picking!.
