Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.

(Lester Ebert)

ONE SUMMER IN VENICE

Paperback. Book Condition: New. Not Signed; Description: 'This isn't a mid-life crisis OK? For a start I'm not old enough yet to have one of those. I'm calling it a happiness project. I've stolen an entire summer from my life and by the time it's over I plan to leave this place with a list in my hand. The ten things that make me happy, that's all I want to know. How difficult can it be? They may be small things - a perfect cup of coffee, a day without rain - or bigger ones. It's still the beginning so how can I know?' Addolorata Martinelli knows she should be happy. She has everything she thought she wanted - her own business, a husband, a child. So why does she feel as if something is missing? Then when her restaurant, Little Italy, is slated by a reviewer, she realises that she's lost the one thing she thought she could always count on, her love of food. So Addolorata heads to Venice for a summer alone, aiming to find the ten things that make her happy. Once she's found them, she'll construct a new life around her ten things, but will they include her life in London?. book.
