Center Point, United States, 2012. Hardback. Book Condition: New. large type edition. 216 x 142 mm. Language: English . Brand New Book. On Bernadine Brown s fifty-second birthday she received an unexpected gift -- she caught her husband, Leo, cheating on her. She was hurt and angry, but rather than cry and scream, she hired herself a top-notch lawyer and ended up with a cool \$275 million. Now Bernadine needs a purpose, and that turns out to be the town of Henry Adams, Kansas, one of the last surviving townships founded by freed slaves after the Civil War. The town has put itself up for sale on the Internet, and Bernadine buys it. Watching the town he loves slide into foreclosure is painful for Mayor Trent July, but when he meets Bernadine, he s impressed. She not only offers the town vision, strength, and hope, she also extends her largesse to kids in desperate need of a second chance. Though not everyone in town wants to get on board, Bernadine and Trent, along with his first love, Lily Fontaine, are determined to preserve the town s legacy while ushering in a new era with ties to its unique past and its promising future.
