Excerpt: . chapter iv mental investigation by the social assistant Ever since the days of Charcot, France has been the land of medical psychology. France has never failed, as other countries have failed, to take full account of the mental factors, the mental causes and results in disease. In America, on the other hand, the conspicuous disregard of medical psychology by physicians has led to widespread and serious revolt on the part of the public. Our physicians have too often treated the patient as if he were a walking disease, a body without a mind. Medical psychology has been neglected in our medical schools and in the practice of our most successful clinicians. The result has been a revolt upon the part of the laity, expressed in the popularity of the heretical healing cults such as Christian Science and New Thought. These unscientific and unchristian...
