Reviews

The ebook is simple in go through preferable to comprehend. Better then never, though i am quite late in start reading this one. Its been printed in an exceptionally simple way and it is simply right after i finished reading through this pdf in which in fact altered me, affect the way i believe.

(Prof. Corbin Hilll)

IN CITE: EPISTEMOLOGIES OF CREATIVE WRITING

Eyecorner Press, United States, 2013. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The epistemic creative writer is not merely an expressive writer, a writer who writes for creative writing programs at diverse university colleges. Rather, the epistemic creative writer is the writer who understands that in order to say something useful you must step out of the space that engages your ego. Awareness of what really matters comes from the contemplation of the futility of words. Before the word there is silence. After the word there is silence. But during the word there is knowledge that can be made crystal clear. This book is about extracting what writing means to a few writers who formulate ideas about creative writing without, however, making claims to instruction. Can creative writing that produces knowledge be taught without a method? Samuel Beckett, Raymond Federman, Gertrude Stein, Jacques Lacan, Frank O Hara, Douglas Hofstadter, Brian Rotman, Herman Melville, Kathy Acker, Friedrich Nietzsche, David Markson, Andrei Codrescu, and a host of others, gather here to offer an answer. -- Camelia Elias speaks to the reader from that place where the language of the birds becomes the language of silence. (Patrick Blackburn, Professor of Formal Logic, Roskilde University).
