Psychology: Empirical and Rational

By Michael Maher Sj

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In these days it is difficult to find a good Catholic work on the subject of Psychology. Modern works are tainted with the errors of Modernism and Liberalism. This work from the turn of the century (nineteenth to twentieth) is a solid work on this most important subject. The author notes: My aim here, as in the previous editions, has been not to construct a new original system of my own, but to resuscitate and make better known to English readers a Psychology that has already survived four and twenty centuries, that has had more influence on human thought and human language than all other psychologies together, and that still commands a far larger number of adherents than any rival doctrine. My desire, however, has been not merely to expound but to expand this old system; not merely to defend its assured truths, but to test its principles, to develop them, to apply them to the solution of modern problems and to re-interpret its generalizations in the light of the most recent researches. I have striven to make...
