One such garden plant was the Aloe Vera, which was a must on every gardener's gardening list. It was always grown in a sunny area, outside the kitchen, and watered once every four or five days, or when one remembered to water it. This green plant was not very attractive to someone who liked flowers around them in their strictly regimented and well disciplined borders and beds. But it was extremely attractive to all those who wanted to know all about the medicinal qualities of this bitter tasting mucilaginous succulent. Also, it did not need lots of fussing to grow. Once it was planted, it flourished as an everlasting perennial Aloe Vera has been used for millenniums in ancient medicine recipes and remedies, down the ages and in different ancient civilizations. There was a time when...
